NOTICE

(Issued from Residence)

Ref. No CIT(R)/WFH/T&P/04/2020/05

Date: 16 April, 2020

As we all are aware, our Country is going through a National Emergency that has arisen due to the outbreak of COVID-19 pandemic and hence is currently observing a lockdown. With reference to instructions received from AICTE, No. F. 7-2/DD/Admn/Inter corr.(Vol.-II) Pt dated: 1Sth April 2020 regarding internships, it is clarified that the students would not be able to pursue their on-site summer internships due to the ongoing lockdown. **Hence, they are advised to pursue internships from home. In case the same is not feasible, this requirement may be fulfilled in December 2020.**

Considering the current situation, and its effect on the internship/placement of students, Internshala has launched '**Chalo India, Let's Work from Home**' initiative. Through this, all the students of Cambridge Institute of Technology, Ranchi can utilize their time to do work from home internships while practicing social distancing. In addition to this, there are many other platforms like D4E Club, SmartBridge, E-Vision Technoserve Pvt. Limited etc where students can access opportunities for doing online internships from home. We wish all students Stay Safe and Stay home. Let us practice social distancing and fight against Covid-19 to win the battle against Corona pandemic.
